Sewing Machines. HUSTON BUILDING, Corner of Third and Jefferson DAYTON, - OH

WE offer the Wheeler & Wilson Sewing Machines, with important improvements, at a reduction of \$250 in former prices, and to meet the demand for a GOOD, tow-priced Family Machine, have introduced a NEW STYLE, working upon the same principle, and insking the same strict, though not so highly daished, at PIFTY-PIVE DOLLARS!

The elegance, sporel, noiselesaness and simplicity of the Machine, the beauty and strongth of sitch, being ALIKE ON BOTH SIDES, impossible to ravel, and leaving no chain or ridge up in the under side, the economy of thread, and adaptability to the this west or thin user fabrics, has rendered this the most successful and popular Sewing Machine now made.

At our various offices, we sell at New York prices, and give instructions free of charge, to enable purchases to sew organizy seams, hem, felt, quitt, gather, bind and tues, all on the same Machine, and warrant if for three years.

in numerous instances proved highly beneficial, and
in others affected a decided cure.

This is a purely vegetable compound prepared on
scientific principies, after the manner of the celebrated Holland Professor, Boerhave. Because of its
great success in most of the ruropeon States, itsinfroduction into the United States was intended more
especially for those of our fatherland scattered here
and there over the face of this highty country.

CAUTION! The great popularity of this delightful Aroma has noncod many imitations, which the public should mard against purchasing. Be not persuaded to buy mything class until you have given Boerhawe's Holdman Bitters a fair trial. One bottle will convince ou how infinitely superior it is to all these imitations.
